Direct referrals from General Practitioners, ENT Specialists and Neurologists to our audiologists are eligible for Medicare rebates for the patient. If the patient has private health insurance, they should check with their fund for their rebate eligibility. Each diagnostic report is reviewed by an ENT specialist for optimal care. We are an independent and locally owned practice with full membership of Independent Audiologists Australia (IAA). Our clinicians are Audiology Australia Accredited Audiologists (MAudA) with a Certificate of Clinical Practice (CPP).
